Monitor Filters

Facet Monitor Cartridges

CAUTION:
NOT FOR USE WITH FUEL CONTAINING
ANTI-ICING ADDITIVE (FSII, PRIST, DI-EGME).
THIS INCLUDES PRE-MIXED AND MILITARY
FUELS CONTAINING THIS ADDITIVE.

Facet HFG Series Horizontal Fuel-Gard® monitor housings, equipped with Facet's FG Series monitor cartridges, that meet and exceed the latest edition of EI Specification 1583 Aviation Fuel Filter Monitors with Absorbent Type Elements, continually check the entire flow of fuel, not just mere samples, for water or solids contamination.

By performing three jobs, the FG Series monitors assure clean, dry fuel. They absorb free and emulsified water, remove ultra-fine solids, and shut down system flow when hit with a localized slug of water.
