Subject: Facet Fuel Monitors Product Clarification

To: General Aviation Customers

For Immediate Release

In our ongoing efforts to provide further clarity relating to Facet Monitors, we want to reiterate that the monitor models listed below have never been manufactured, marketed or sold to comply with Energy Institute (EI) 1583 Specification on Fuel Filter Monitors, 7th Edition:

- FG-O-512-7
- FG-O-524-7
- FG-O-612-7
- FG-O-609-7

However, the Fuel Monitors listed above do meet EI-1583 7th Edition effluent requirements.

If you have any questions or require further information, our dedicated team is here to assist you. Please don't hesitate to reach out to us at facet.inquiries@fgc.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Alex Russell".
