

Model 4B Gravity Oilers

The Model 4B Gravity Sight Feed Oilier offers a clear oil flow view with fine tune-control. The Model 4B allows oil flow by gravity to a lubrication point. The double-window design permits observation of the oil stream from either side. This oilier provides trouble-free service with little or no maintenance required. Its compact design ensures easy installation in confined spaces, and the corrosion-resistant materials guarantee durability even in harsh environments.

Ideal for machinery requiring consistent lubrication without electrical power.

Specifications

Materials of Construction	Cast Iron Body, Glass Windows, Bronze Fittings, Buna-N O-ring Seals Exterior Paint: Epoxy
Inlet/Outlet Connections	NPT ½ inch
Dimensions (L x W x H)	3.75 x 2.38 x 3.75 inch 95 x 60 x 95 mm
Weight (approx.)	0.5 lbs (2.27 kg)
Maximum Operating Pressure	125 psig @ 225° F 8.79 kg/cm ² @ 107.2° C
Operating Temperature Range	32° F to 200° F 0° C to 93.3° C

Features

- Body vent
- Cast iron body, glass windows, bronze fittings
- Flow rate knob
